ABOUT US

BEGINNINGS

o2 Textile LLC. has been founded & located in Denizli, the textile capital of Turkey. Formed with an association of creative and passionate minds. We have applied our years of experience and know-how to manufacture products which satisfy the requirements of even the most demanding customer.

THE BRAND

Since its inception, Hello2art has been developed on principles of being creative, so that shaped the aesthetic approach and the vision of quality. Hello2art provides us not a grand invention, but a new way to get quality products. "mood up" is the form of the brand's vision into letters and were built on a thought which aims to maximize the customer satisfaction & happiness.

PROFESSION

Present high quality products & finding the optimal solutions. Home textile, promotional textile, baby products, outdoor textile, labels, narrow fabrics are some of our production range. We also are capable of finding the best way to meet your demands for different items besides of textile.

PRODUCTION

High quality weaving for home textile based goods, high resolution photo printing, color limit-less dijital printing, knitting for scarfs and beanies, high definition weaving & printing for labels, well known elite quality narrow fabrics, healthy & quality raw materials which meet the requirements of the most popular quality certificates.

MARKET
